

JOB DESCRIPTION FOR LECTURER IN MATHEMATICS

Title:	Lecturer in Mathematics
School/Faculty:	Faculty of Science & Technology
Category:	Academic
Stream:	Higher Education
Reports to:	Head of Department/School and Dean of Faculty
Location/Campus:	SINU, Panatina Campus

1. SUMMARY OF DUTIES

The successful applicant will teach various courses in Math at the undergraduate and postgraduate levels, conduct research in areas of their professional academic interest, supervise students' research projects at all levels, and carry out any other duties as delegated by the supervising officer(s).

2. MAIN DUTIES AND RESPONSIBILITIES

2.1. Teaching and learning

- Carry out all standard duties related to teaching and learning in an academic institution. SINU requires staff in the Higher Education stream to carry a workload of, on average, 16 contact hours per week. The rest of the time is to be devoted to non-contact aspects of teaching & learning, including programmed development and reviews (estimated to average 10 hours per week), and research & publications.

2.2. Research, Publication & Consultancy

- Staff in the higher education stream are expected to carry out research & Publications in their fields. They are also expected to carry out approved consultancies.

2.3. Administration & General Responsibilities

- Staff in the higher education stream may participate in professional, community, and outreach activities relevant to the programmed or professional interests of the staff. Staff are also expected to participate in University-wide activities commensurate with the roles and responsibilities of an academic.

JOB DESCRIPTION FOR LECTURER IN MATHEMATICS

3. MINIMUM QUALIFICATIONS REQUIRED

3.1 Educational Background

- A Master's degree in Mathematics is required.
- Preference will be given to applicants with a PhD in Mathematics over those holding only a Master's degree.

3.2 Professional Experience

- A minimum of three years of formal tertiary teaching and research experience is required.
- Alternatively, a combination of at least three years of education and commercial experience may be considered for a lecturer-level appointment.

4. Desirable Attributes

- Experience in teaching or working in developing countries, along with demonstrated ability to engage with socio-cultural and political diversity.
- Proven expertise in program development and review.
- A record of publications in credible academic outlets.

TERMS AND CONDITION

The position is for five (5) years under an employment contract. Contract renewal will be subject to satisfactory performance.
