

# Career Opportunity

<b>Title</b>	<b>HR 33/2025 – Lecturer in Forest Roads and Harvesting</b>
<b>Faculty/Division</b>	Faculty of Agriculture, Fisheries and Forestry (FAFF)
<b>Reports to</b>	Head of Department/Dean FAFF
<b>Location/Campus</b>	Honiara, Kukum Campus

## Summary of Duties

*A Lecturer in Forest Roads and Harvesting will teach and develop courses on the design, construction, and maintenance of roads for sustainable forestry operations. The role emphasizes practical skills in planning forest road networks, minimizing environmental impact, and ensuring safe, efficient access for timber extraction and forest management.*

## Duties & Responsibilities

- To deliver learning instructions, lectures, and tutorials to students.
- To develop all enrolled class lists.
- To have a good knowledge of the entire syllabus' curriculum.
- To assist in the review of course content and materials regularly, updating when required.
- To develop and apply innovative and appropriate teaching techniques and materials that create interest, understanding and enthusiasm amongst students.
- To transfer knowledge, including practical skills, methods and techniques.
- To ensure that course design and delivery comply with the quality standards and regulations of the university.
- Supervise students' projects, field trips, and laboratory work where appropriate.
- To participate in the Faculty Distance Education and Outreach Programs. **Please refer to the job description for more information.**

## Minimum Qualification and Experience Requirements:

To be considered for this position, applicants must have:

A Master's Degrees and Post Graduate Degrees in relevant fields plus teaching qualifications or Bachelor's Degrees holder with experience of 10 years or more in teaching at the University level can be considered in exceptional cases.

## Professional Experience

- Five years of teaching experience.
- Wide breadth and depth of specialist knowledge in own area of expertise.
- Understanding of different teaching and learning methods.
- Computer proficiency in the standard packages (word processing, e-mail and internet use, and spreadsheets).

## Desirable for the position

- Experience in conducting quality research in a particular specialism and publishing in recognized journals.
- Experience in developing and implementing research objectives, projects and proposals.
- Experience in collaboration with college and industry colleagues when developing new curricula.
- Experience with consultancy. **Please refer to the job description for more information.**

## Terms and Conditions

This is a full-time position with a contract term of five years, renewable based on performance and mutual agreement.
